Divine Public School, Secondary Education 03/2017 – 04/2018 | Noida
Percentage: 60.2%

SKILLS

Technical Skills

SQL Server, Power BI, Excel, HTML, CSS, JavaScript, API Testing, Manual Testing, Core Java.

Tools & Platforms

Microsoft Forms, Postman, Visual Studio, IntelliJ IDEA, SQL Plus, MS Excel, Canva.

Data Skills

Database Design, ETL, Data Cleaning, Data Migration, Data Analysis.

Soft Skills

Stakeholder Management, Analytical Thinking, Project Planning, Communication.

PROFESSIONAL EXPERIENCE

Sagar Informatics Private Limited, 12/2024 – Present | Noida
Trainee – Software Implementation Engineer

- Supported data migration, integration, and backend SQL operations during ERP and software deployments.
- Created data-driven reports and Excel-based dashboards for client tracking and performance monitoring.
- Conducted software testing and troubleshooting, ensuring accuracy and reliability in system outputs.
- Managed client communication, documentation, and functional specifications for software modules.

Skill-Lync, Engineering in Full-Stack (Intern) 11/2022 – 02/2023 | Remote

- Developed web-based analytical dashboards and responsive interfaces using HTML, CSS, and JavaScript.
- Contributed to multiple software projects, gaining experience in full-stack development and data handling.
- Practiced data validation, testing, and reporting using Excel and SQL concepts.

PROJECTS

Logistic Management Software (LMS), Portage Express (Pune, Maharashtra)

- Coordinated stakeholder requirements, documentation, and data structure design for logistics tracking.
- Supported manual testing, deployment, and post-deployment analysis using Excel-based reports.

Courier Management Software (CMS), Industrial Cargo (Chennai, Tamil Nadu)

- Managed data flow between modules, tested system accuracy, and supported client adoption.
- Created structured documentation for performance tracking and data integration points.

Scientific Calculator Using Java

- Built using Core Java with advanced mathematical and scientific operations.
- Designed a user-friendly interface with input validation and error handling for accurate computation.

ADDITIONAL SKILLS

- Self-Motivated and quick learner.
- Flexible and adaptable by nature.
- Strong leadership and project management skills

COURSES

Training, Qspider

02/2024 – Present | Online

Currently undergoing online training of Software Development Full-Stack course at Qspider.
